Angioma Alliance Hires Robert Stowe as Fundraising Events Manager

February 8 – Angioma Alliance is pleased to announce that we have hired Robert W. Stowe III as our Fundraising Events Manager. Robert will work with volunteers to plan and carry out awareness events and fundraisers throughout the United States.

“We are delighted to have Robert join our organization,” said Angioma Alliance President Connie Lee. “His work will bring greater visibility to our efforts, and will enable us to continue expanding our patient support and research efforts. I encourage our members to take advantage of his experience and assistance.” Robert’s email address is rstowe@angioma.org.

Before joining Angioma Alliance, Robert was a Community Manager for the American Cancer Society where, among his responsibilities, he managed the Relay for Life and other American Cancer Society events across a large section of south central Virginia. Before this, he was the Executive Director of the Murfreesboro, NC Historical Association. He is a graduate of the Governor’s School for Global Economics and Technology and of Averett University.
